

# CAMPERVANS

Sunliner Motorhomes

## An icon with style

A campervan is an Australian icon. It is where we started back in 1974 with the now famous Sunliner pop-top. Perhaps it is pure nostalgia; a desire to go back to a simpler way to travel and explore, but a Sunliner Campervan is as popular today as it was back in '74!

The convenient size of a campervan makes it a great combination of holiday touring unit and city explorer. Small enough to negotiate suburban streets and to be stowed in the family garage, with a campervan, you can now have best of both worlds.

Our campervan range incorporates the pop-top camper and the full campervan style. With five layouts and two model options, there is a campervan for every budget and travel style.

## The Vida

Designed to offer a well-equipped, simple and modern vehicle with all the essentials you need to start your journey, today. A Sunliner Vida campervan is a passport to travel whenever and wherever the road takes you, making it an ideal travel companion.

## The Rialta

Jammed pack with all the extras you could hope for in a campervan, the Rialta is our top of the range campervan series. To have a campervan perfect for you, we encourage you to personalise the interior to suit your unique travelling needs.

# Chassis

An Australian classic for over 35 years; the Toyota Hiace is a workhorse. It has been refined to meet the demands of the modern driver. The cabin has been designed to optimise space and provide support for long days at the wheel

## Toyota Hiace 200

Engine	Power (hp/kw)	Torque (Nm)	GVM (kg)	Front Axle Capacity	Rear Axle Capacity	Gear	Fuel Tank Capacity (Litres)	Driven wheels	Tyre Size	Anti-Lock Brakes (ABS)	Traction Control	Stability Control	Roadside Assistance (varying duration)	Warranty Period (Years/Km's)
3.0L TD	124/100	300	2800	1550	1550	4 speed Auto	70	Front	195R15	Std	No	No	Optional	3/100,000

The Ducato is driven by a powerful 3L Turbo Diesel engine and is built for long easy meandering journeys with excellent ergonomics and standard swivel seats. It only requires an oil change every 24,000km and a service after 48,000km or every 12 months. To ensure your peace of mind its covered by a 3 year/ 200,000km warranty.

## Fiat Ducato X295

Engine	Power (hp/kw)	Torque (Nm)	GVM (kg)	Front Axle Capacity	Rear Axle Capacity	Gear	Fuel Tank Capacity (Litres)	Driven wheels	Tyre Size	Anti-Lock Brakes (ABS)	Traction Control	Stability Control	Roadside Assistance (varying duration)	Warranty Period (Years/Km's)
3.0L TD	177/130	400	4005	2100	2400	6 speed Auto	90	Front	225/75R16	Std	Std	Std	Std	3/200,000

Mercedes-Benz

As the van that established a whole vehicle segment, the Sprinter has been ahead of the crowd since 1995. Its 7G-TRONIC 7-speed automatic transmission is testament to that. It is known above all for its outstanding operational reliability, which gives users the freedom to concentrate fully on their journey. The latest generation of the Sprinter lives up to this impressive reputation.

## Mercedes Benz Sprinter 316

Engine	Power (hp/kw)	Torque (Nm)	GVM (kg)	Front Axle Capacity	Rear Axle Capacity	Gear	Fuel Tank Capacity (Litres)	Driven wheels	Tyre Size	Anti-Lock Brakes (ABS)	Traction Control	Stability Control	Roadside Assistance (varying duration)	Warranty Period (Years/Km's)
2.4L TD	163/120	360	3550	1650	2250	7 speed Auto	75	Rear	235/ 65R16	Std	Std	Std	Std	3/200,000

## No one knows what works for you, better than you

You know what works for you, that is why at Sunliner we think you also know what you are looking for in a recreational vehicle (RV). Our philosophy is to listen and work with you to create your dream vehicle.

We understand that you want your new RV to feel like a home and we don't believe you should have to compromise.

Our vehicles do not come from an offshore assembly line, with a single mould for everyone. Each Sunliner RV is built in Australia by our skilled team who are excited to manufacture recreational vehicles tailored to your needs.

Sunliner is proud to be an Australian owned family business. We have been manufacturing outstanding motorhomes for over 40 years. It is our innovation and our attention to detail that sets Sunliner apart as Australia's premium brand of Recreational Vehicles.

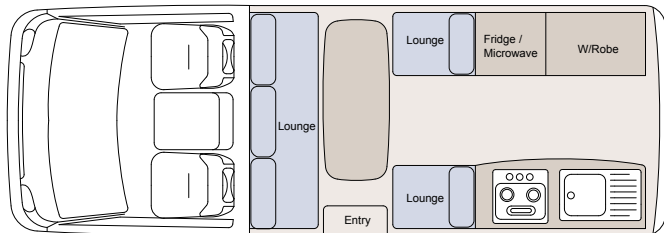

We look forward to assisting you to personalise your journey.

# What sets us apart

## Rear to Tow, Front to Go.

Sunliner offer more variety of layouts on a greater variety of chassis than any other.

## Quality

Concealed spring assisted adjustable hinges are used for smoother assisted opening.

## It's the things you don't see that counts.

Furniture is sealed around the floor to prevent spills getting into unreachable places.

## Locked tight, made right.

Walls are rebated and interlocked for a stronger construction with more support.

## Steel Sub Chassis

Stronger than a panel floor allows a strong foundation with less movement in the vehicle body. More secure mounting for walls, tanks & bins.

## It's what you don't see that counts.

All Fibreglass fairings are neatly screwed & glued in a way that they can't be seen; giving a neater appearance and assists in a cleaner unit.

## No Frame, More Gain

The innovative ThermoTough Wall, allows the unit to be built without a rigid frame. Mounting can be made at any point internally or externally directly into the seamless 12mm core.

## Floor

One piece floor has no joins and is fully sealed underneath. Internal floor coverings are high quality and insulated.

## ThermoTough™ Wall

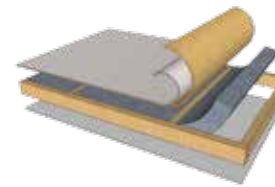

*The Toughest Walls on the Market*

Sunliner's ThermoTough wall is a revolutionary design encompassing strength, durability and weight reducing properties.

- Lightweight European technology.
- One piece wall. No joins, No gaps equals greater strength.
- Popular cross ply/Duplo Foam core provides extremely strong panel with a high impact rating.
- Most repairs can be localised without replacing whole wall.
- All materials used in the process have a similar expansion rates.
- Walls can be screwed into at any point. No studs or fixing points necessary.
- Walls R rating is equivalent to those found in extreme alpine areas.

## DuraRoof™

*Strong enough to Party On*

Sunliner's DuraRoof has been precision engineered to provide superior structural strength.

- Fully insulated bonded core.
- Reinforced timber structure combined with compressed Duplo Foam.
