

# OLANTAS

## APARTMENT LIVING ON THE ROAD

Based on the LDV, Fiat or Mercedes Benz chassis platform the Olanatas is beautifully crafted. Designed with privacy in mind; most layouts can be closed between the living, bathroom and bedrooms (layout specific) aiding in climate control and noise reduction through out the vehicle

### FEATURES

- Sophisticated RV Choice- A blend of high end functionality with glamour & sophistication, for those seeking a refined aesthetic to call home.
- Comfort & Style- Travel in comfort with a list of standard inclusions and 5 different layouts ensure your journey is relaxed and comfortable.
- Multi zoned living approach to design creates separate living, bathroom and bedroom areas; creating the same privacy and function you experience at home.

1. O532 Utilising the slideout creates extra room; this unit has a handy utility station near the entry, that has your controls and charging points. 2. O452 the use of swivel seats makes this compact area generous enough to comfortably sit five people. 3. O531 Need a bit of space? This single bed layout gives your own bed and your own personal storage with overheads and cupboards. Solid sliding doors can perfectly partition this layout into 3 separate sections for privacy.
